

Lovey,

I'm sorry if we have a lot of fights recently. I don't know how to make it up to you. I kept thinking when you said that I deserve someone better, but I did not see that as an option in our relationship.

I know we have a lot of misunderstandings and miscommunications, but please be patient with me.

I'm sorry if I'm not a good girlfriend to you during these times. I'm trying to learn as well how to handle these things. Please bear with me. I hope you still have patience with me. I'm really sorry love. I love you.
